beautiful temple placed in <u>virar</u> (<u>mumbai</u>). This temple is <u>bulid</u> on the hill, at the height of almost 1500ft from the sea level from the top of this beautiful temple we can also experience the beauty of this Mumbai city. After the darshan of Devi <u>Jivdani mata</u> there is different types of food stall also for the people to eat. The food I eat

there is so tasty that I remember the taste of it very longer.

BASIC UNDERSTANDING ON FREE AND OPENSOURCE SOFTWARE

a) Describe Open-Source Software with Example.
